### Documents to be enclosed:-

- Photocopy of registration with UP Medical Council of India or the Central Medical Council of India.
- Photocopy of the postgraduate qualification.

## **Types of members:**

#### Life Member

- A. Eligibility for life member of the Society shall be any person who has manifested a continuous interest in haematology for a period of at least three years.
- B. Person who has a Post graduate degree in Medicine, Pathology, Pediatric, Hematology or Hematopathology recognised by MCI/NMC (MD, DM, Diploma) or Phd in the area of Hematology.
- C. Such members shall be entitled to voting rights.

#### Associate member

A Postgraduate student in Medicine, Pathology, and Pediatric may be enrolled as "Associate Member" on payment of full membership fees of the Society. Such Membership will ordinarily last for 3 years unless the member informs about completion of postgraduate courses. Once the person submits the degree he/she will automatically become life member.

#### **Honorary Member**

- A. The persons eligible for Honorary Members shall be a person of national and/or international repute including doctors as well as scientists who belongs to haematology and its allied subjects and selected by the Executive Committee
- B. They shall have all the privileges of life members except those voting and holding office.
- C. They shall be exempted from payment of any fees.
